

CONDUCT REQUIREMENTS

Approved AtlasSportsAI Ambassadors represent the brand in public. These rules define required behavior, prohibited claims, responsible-use language, and removal triggers.

- Promote AtlasSportsAI honestly, professionally, and without misleading claims.
- Do not claim Atlas guarantees wins, profit, income, or betting outcomes.
- Do not present model outputs as financial, legal, gambling, or investment advice.
- Respect responsible-gambling standards and do not target minors.

When promoting Atlas, keep public messaging clear and avoid guaranteed-outcome claims. Approved language:

"AtlasSportsAI provides sports analytics and model information. No pick, projection, or slip is guaranteed."

- No guaranteed profit, lock, risk-free, or can't-miss language.
- No fake screenshots, fake earnings, fake customer results, or fabricated testimonials.
- No claims that Atlas is affiliated with PrizePicks, DraftKings, FanDuel, the NBA, MLB, or any sportsbook/operator unless authorized in writing.
- No instructions encouraging users to gamble beyond their means.
- No harassment, hate speech, threats, impersonation, spam, or platform abuse.

- Use the Atlas name and visuals accurately.
- Do not alter logos in ways that misrepresent the brand.
- Do not imply you are an employee, owner, or official spokesperson unless Atlas authorizes it.
- Do not sell access to Atlas content outside approved Atlas channels.
- Do not leak premium content or private operational information.

Atlas may suspend access, cancel payout eligibility, remove an Ambassador from the program, or reject signups tied to:

- Fraudulent signups, chargeback abuse, duplicate account abuse, or self-referral manipulation.
- Repeated misleading marketing or prohibited claims.
- Violation of platform rules on TikTok, YouTube, Instagram, X, Discord, or other channels.
- Conduct that harms Atlas users, AtlasSportsAI, or the integrity of the program.

AtlasSportsAI Ambassador Conduct Requirements. Compliance is required for portal access and payout eligibility.
